Rare opportunity to own an affordable runway home in the highly desired original Pecan Plantation Airpark (FAA OTX1). This well-maintained 3-bedroom, 2-bath home also features a private study and a comfortable, functional floorplan. Situated on a premium runway lot, the property offers an in-ground swimming pool and an impressive 2,500 sq ft airplane hangar with a 40x12 bifold door, dedicated hangar office, storage loft, and propane furnace. Enjoy the convenience of having your aircraft just steps from your home with direct access to Pecan Plantation's 3,600 ft paved runway. A great opportunity to enjoy the airpark lifestyle at a price point that is increasingly difficult to find in Pecan Plantation.
